

## Cassells German Dictionary: German-English/English-German (Cassell modern language dictionaries)

More than a hundred years of experience in dictionary publishing lies behind the famous Cassell German Dictionary. This edition covers modern and classical idiom, regional words and phrases, and incorporates scientific, technical, political and industrial vocabulary. Colloquial and idiomatic terms are also included. Features of the Dictionary include phonetic transcriptions of German key words and a guide to German pronunciation; a guide to whether German verb prefixes are separable or not; and a bibliography of technical and specialist dictionaries.
