

Jesus the Saviour (Bible Alive)

Jesus means so many things to different people... but it is so wonderful that he can be our Saviour. He came as a child to Bethlehem but in the end he went to the cross to die. He died so that we can live. He died so that those who believe in him will go to live with him, in heaven, when they die. Jesus the Saviour died and came back to life to show us that those who love him can look forward to spending forever with him - because he is our wonderful Saviour.
