Table of Contents Preface Chapter 1: Clean Peoples Homes Chapter 2: Grow and Sell Vegetables Chapter 3: Make a Lemonade Stand Chapter 4: Make Money Playing Games Chapter 5: Take Care of Pets Chapter 6: Teach Your Skills Chapter 7: Wash Cars Chapter 8: Make a Website Conclusion About the Author Publisher Preface It does not matter what your age is as we all need money. You can use it to buy just about anything you want in life. Unfortunately, many kids do not know how to make money. So they depend on their parents. But who wants to ask for money from them all the time? Even though you are a kid, you can make some money on your own. This may be to become more independent or to simply increase your income. Unfortunately, there is not much info on how you can get started with this. But dont lose hope. In this book, I will show you some of the ways you can use to make money. The best part with the methods in this book is that they are easy to understand. Additionally, they do not need extensive experience for you to get started. And since you may also be low on cash, these methods do not require huge investments. Still, there is no substitution for hard work. If you are not willing to give these methods enough effort, you will not make a lot of money. I wish you luck in your money-making endeavors. Enjoy the reading!
