

Christ Plays in Ten Thousand Places (Study Guide)

In *Christ Plays in Ten Thousand Places*, Eugene Peterson has reminded us that spiritual theology must be about God and not about us. What better context could there be for continuing the conversation that he has begun than in an intensive study, either on ones own or in a group? This guide enables study groups in schools or churches to delve deeply into Eugene Petersons long-awaited work on spiritual theology. His insights into the vacuous nature of contemporary spirituality and the Christ-centered antidote will be carried to a wider audience with this accessible study guide. Penned with Peter Santucci, an able pastor in his own right, this study guide should introduce even more people to the wisdom of *Christ Plays in Ten Thousand Places*.
