

12 Never-mentioned Steps To Discipleship: Know Your Rights and Authority as Disciples of Christ (Restoring The Church From The Foundation Up)

This book will inform, equip, empower, and mobilize Christians. It will reveal problems with discipleship in our churches today. It will offer real biblical solutions to restore our right relationship with Jesus Christ, and help us to regain our effectiveness as Christian disciples. This is a comprehensive study of Christian discipleship, and it reveals truths that some pastors and religious leaders may not want you to know. True Christian Discipleship demonstrates one's love and devotion to God and to all people. It also helps us to discipline our lives in ways that would be helpful to our communities, and bring honor and glory to God. It is a fact that many Christians have unconsciously surrendered their rights and authority to their church leaders. People who are educated with the truth cannot be bullied, controlled or intimidated because they know their authority and their rights, and they will not surrender them to others. Christian discipleship is not an option, but it is a way of life. We belong to Jesus Christ and we must obey Him. So, get out of your dark dungeon, recognize who you really are, and get to Know your rights and authority as disciples of Jesus Christ.
