

Cinema of Obsession: Erotic Fixation and Love Gone Wrong in the Movies (Limelight)

Cinema of Obsession traces the history of obsessive love and erotic fixation. Seminal works of obsession, *The Blue Angel*, *Peter Ibbetson*, and *Phantom of the Opera* are seen as setting the groundwork for films that follow. The book defines and surveys examples of the explosive nature of amour fou, issues of male control (no matter how tenuous), and the fugitive couple - love on the run - in such films as *Romeo and Juliet*, *Last Tango in Paris*, *Vertigo*, *Basic Instinct*, and *Wild at Heart*. Male masochism is explored through film noirs, including *Criss Cross*, *The Killers*, *Gilda*, and *The Postman Always Rings Twice*. The book shifts gears in its finale and concentrates on the female gaze, films of female obsession: *Jane Eyre*, *The Piano*, *The Lover*, *Fatal Attraction*, and *Vanilla Sky*.
