

Colloquial Thai (Book & CDs)

Specially written by experienced teachers for self-study or class use, Colloquial Thai provides a step-by-step approach to written and spoken Thai. No prior knowledge of the language is required. The best choice in personal language learning, key features include: * a wide range of interactive exercises for regular practice* clear, concise grammar notes* a useful vocabulary and pronunciation guide* an answer key and reference section. An easy to follow and rewarding course, Colloquial Thai enables those who follow it to communicate confidently and effectively in Thai in a broad range of everyday situations. Helping to develop listening and pronunciation skills, 120 minutes of audio material recorded by native speakers are also available to accompany the text on both cassettes and CDs.
