

Coming to Grips with Marital Conflict (Salt & Light Booklets)

No one plans to have an unhappy marriage, yet marital conflict is common even among Christians. Some couples despair of finding hope even after years of personal struggle. This eBooklet identifies several of the pressures that ignite marital conflict and points the reader to biblical solutions. Dr. Lutzer believes that even long-standing differences can, in many instances, be overcome through the power of Christ. Even those who live with relationships beyond repair will be encouraged to prove that Christ can give grace in the midst of a failed marriage.
