

Conversations with Nostradamus: His Prophecies Explained, Vol. 2

This is the new edition of the popular the last edition was published in 1992. Originally printed in 1989 each edition has added updates of events predicted by Nostradamus that have occurred since the last edition. For this newest edition regressionist and psychic researcher Dolores Cannon has written an extensive addendum that covers evidence of the fulfillment of the prophecies predicted by Nostradamus. Secret weapons computers the World Wide Web and the New Science of Nanotechnology are included among the new topics covered. Nostradamus broke through to our time period by a one-in-a-million chance contact through hypnosis. In this series the master himself explains the puzzles he carefully concealed in code within his famous quatrains or prophecies. Volume One contains 136 quatrains. --This text refers to the paperback edition of this title
