

Oeuvres Completes 1 (Fiction, Poetry & Drama) (French Edition)

Baladin desinvolte, createur fantastique, comedien-ne aux moeurs dissolues, prince du rire et de la satire, celui qui derangeait du temps de son vivant serait sans doute surpris de sentendre designer comme le plus grand homme de theatre que la France ait jamais compte. Mais ce nest que justice, car oubliees les tumultueuses conditions qui entouraient la creation de chacune de ses pieces, il nous reste une oeuvre incroyablement riche et moderne, qui surprend sans cesse et demeure indepassable. Cette edition du theatre complet de Moliere nous donne loccasion de replonger dans les textes et de gouter encore le sel des comedies, la truculence des farces et la grandeur de ses pieces les plus noires, comme Tartuffe, Le Misanthrope ou Dom Juan. Au theatre complet sajoutent enfin quelques poesies de circonstance, composees le plus souvent pour le roi, qui achevent avec pertinence ce vaste panorama molieresque. Une edition indispensable pour tous les amoureux du theatre.
