

Crafting with Feminism: 25 Girl-Powered Projects to Smash the Patriarchy

This is what a feminist crafter looks like! Wear your ideology on your sleeve by creating feminist merit badges (like started an all-girl band or rocked roller derby). Prove that the political is personal with DIY power panties (No means no). Craft great feminist hero finger puppets (Ruth Bader Ginsburg, Frida Kahlo) or googly-eyed tampon buddies. Fun sidebars provide background on (s)heroes of the feminist movement.
