

Worship Notes: Teen Edition

Are you looking for something to help collect your thoughts during worship services? This book of note pages provides space to take notes in worship for one solid year. Now you can pay attention to prayers, and announcements, and then take note of people to pray for at home. As you listen to the sermon take notes, write down scripture references, and draw a personal application of the lesson. With space to date each set of notes, you can look back over the year, and review lessons that were especially meaningful.
