

Cultivating Citizens: Soulcraft and Citizenship in Contemporary America (Applications of Political Theory)

Civic virtues, public service, and personal sacrifice and responsibility have again become vital questions for Americans struggling with the moral and political problems of citizenship. In *Cultivating Citizens* Dwight Allman and Michael Beaty bring together some of Americas leading social and political thinkers to address the question of civic vitality in contemporary American society. The resulting volume is a serious reflection on the history of civil society and a rich and rewarding conversation about the future American civic order.
