

Healing Chronic Lyme Disease Naturally

I Have Chronic Lyme Disease, I Feel Awful, and Im Completely Overwhelmed. If this is you, then youve found the right book. In *Healing Chronic Lyme Disease Naturally*, author Joey Lott lays out a step-by-step protocol to get you back on your feet, living life again to the fullest. He knows what its like because hes been in your shoes, and he healed himself naturally. This book is extremely thorough, but the information is approachable and easy to break down into smaller bites. In fact, the author recommends taking it one step at a time and assessing how you feel along the way. After all, this is your journey back to health and you should have total control. What Do Metabolism, Thyroid, and Inflammation Have to Do with Chronic Lyme Disease? Despite the emphasis commonly put on the bacterial strains that cause Lyme disease, antibiotics or strong antibiotic herbs may not always be the best first approach to getting well. Learn how your metabolism may be the best starting point in your healing journey, before bombarding your system with a myriad of drugs and herbal protocols. Discover the connection between systemic inflammation and the symptoms of chronic Lyme. In addition, find out the role your thyroid plays in all of this and why thyroid function is crucial if youre going to supplement with herbs. Can Herbs Help With My Symptoms? There are so many symptoms associated with chronic Lyme (including everything from depression and anxiety to digestive upsets, anger, pain, fatigue, and more) that its hard to know which to address first and with what herbs. Fortunately, *Healing Chronic Lyme Disease Naturally* serves as a veritable bible for symptom sufferers, covering all the major symptoms and organ systems of the body that may be affected by chronic Lyme and offering comprehensive herbal recommendations for each, including suggested dosages, possible interactions,

and a timeline of when to expect relief. Healing From Chronic Lyme Disease Shouldnt Have to Break the Bank From the beginning, the author states that this protocol was designed to be affordable. In fact, the book begins with two critical healing techniques--improving metabolism and de-stressing--that are completely free. This way, youre not left digging through chapter after chapter of suggestions, wondering which treatments you can afford now and which youll have to put off for later. Its all laid out from the beginning with your success and your wallet in mind. As the author states, You neednt feel worse to feel better. Download your copy today to begin your healing journey right away, or get the paperback version to keep as a handy reference, especially when shopping for herbs. Lyme doesnt have to be a lifelong condition! Get started on the road to recovery now.
