

# Apocalypse: An Explanatory Rendering Of The Revelation That Will Forever Alter Your Understanding Of The Tribulation, The Beast And The End Times

The Revelation has long been a source of mystery to Christian and non Christian alike. Thought by many to be a prophecy concerning the end of the world, The Revelation stirs the emotions of all who read it. But has this cryptic book been properly understood? Is it a prophecy of doom or is it a prophecy of hope - or both? Now for the first time in modern history, the message of The Revelation has been made clear. Agree or disagree with the interpretation of Pastor and writer D. Eric Williams, but be sure that upon reading this explanatory rendering of The Revelation, your understanding of the Tribulation, the Beast and the End Times will forever be changed.
