

Daily in His Presence: A Classic Devotional from One of the Most Powerful Voices of the Nineteenth Century

In his time, Andrew Murray was alarmed by how few believers lived wholeheartedly for God and truly displayed to the world the abundant life promised by Jesus Christ. More than a century later, Christians are still living powerless, impoverished spiritual lives, and a media-savvy world dismisses the church as irrelevant. One of the most powerful voices of the nineteenth century, Murray speaks to today's church from across the years, exhorting us to begin each day by seeking the living God, giving Him time every morning to reveal Himself anew. For this stunning new devotional, contemporary bestselling author Bruce Wilkinson presents 365 gems from the treasury of writings by Andrew Murray. Wilkinson introduces each month's readings with an overview of the thematic approach for the coming devotions. Each month features the very best of Murray's work centering on a different aspect of cultivating a deeper and richer spiritual life.
