

Dare To Dream AGAIN: Twelve key insights to help you get up from failure and get back into the pursuit of your dream

Have you ever experienced the disappointment of a broken dream? You set your focus upon something specific that you wanted to see happen and even carefully developed a plan of action. Despite your best efforts and your 100% commitment to living in your dream, things turned out far worse than you had hoped. Your dream quickly morphed into a nightmare. As a result, you are left feeling hopeless, lifeless and anxious at the very thought of ever again venturing out to accomplish anything. What do you do now? While staying down is certainly not the answer, you just don't feel that you can go any further. Noted Author and Speaker Larry Hunter comes to you to extend the helping hand you need in order for you to get back up and moving again. In his book, *Dare To Dream Again*, you will discover 12 practical and inspiring insights sure to provide you with both the strength and courage to continue towards your dreams. Below are a few things that you will discover inside *Dare To Dream Again*: How to find the strength to bounce back after any crippling failure or setback; How to break free from the web of manipulation spun by others; If you only continue to believe in your dream, then it will remain possible for you; The path that will get you from where you are to where you and God want you to be; How to find rest through trusting more in God's guidance than in your own reasoning; The Lord has inspired within you an awareness of a greater life experience than you are currently living. As you read this book, you will gain the courage and strength that will take you there. Grab Your Copy Today!
