

Dictionary of Finance and Investment Terms (Barrons Business Dictionaries)

More than 5,000 terms related to stocks, bonds, mutual funds, banking, tax laws, and transactions in the various financial markets are presented alphabetically with descriptions. The new ninth edition has been updated to take account of new financial regulations and recent dramatic swings in equities, credit, and other financial developments. Readers will also find a list of financial abbreviations and acronyms, as well as illustrative diagrams and charts. Heres a valuable, thorough dictionary for business students, financial professionals, or private investors.
