

Skinny Bitch

Not your typical boring diet book, this is a tart-tongued, no-holds-barred wakeup call to all women who want to be thin. With such blunt advice as, Soda is liquid Satan and You are a total moron if you think the Atkins Diet will make you thin, its a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the reader laugh out loud with its truthful, smart-mouthed revelations. Behind all the attitude, however, theres solid guidance. Skinny Bitch espouses a healthful lifestyle that promotes whole grains, fruits, and vegetables, and encourages women to get excited about feeling clean and pure and energized.
