

Discipleship The Road Less Taken

First-Century Discipleship in the 21st Century What comes to mind when you hear the word disciple? Does it describe your own relationship with Jesus Christ? Every disciple is a believer, but not every believer is a disciple. And knowing the difference is vital to our spiritual growth. Using examples from the first-century church, Pastor Greg Laurie explains the true meaning of discipleship and exposes common misconceptions about what it truly means to be a follower of Christ. Get ready to leave spiritual mediocrity behind as you discover the Christian life as it was meant to be lived.
