

## Living Above Worry and Stress (Women of Faith Study Guide)

These topical guides will deal with issues that women wrestle with today: Gods Will, Living in Christ, Prayer, and Worry. Reaching an audience across race, socio-economic, denominational, and age boundaries, these guides will enhance the lives of women in America as they empower them in their weekly devotions. The study guides can be used for both individual and group settings. Women are asking good questions about their faith. With our study guides, we want to join them in their quest for knowledge and lead them in finding the answers they are seeking.
