

Dora Bruder (French Edition)

Dans une vieille édition de Paris-Soir, celle du 31 décembre 1941, le narrateur lit, par hasard, une petite annonce dans la rubrique. Hier a aujourd'hui. On y recherche une fugueuse âgée de quinze ans, Dora Bruder. Hier, c'est le temps du Paris occupé, de la étoile jaune, des rafles et des internements ; aujourd'hui, ce sont les dernières années du vingtième siècle, quand ce passé tragique taraude les vivants. Entre le 25 février 1926, jour de la naissance de Dora, et le 13 août 1942, date de son internement au camp de Drancy ; lecrivain enquêteur recherche les étincelles de vie qui combattent l'ensevelissement par l'oubli, et le transmet au lecteur avec justesse et émotion. L'accompagnement critique situe le récit de Patrick Modiano entre la réalité et la fiction, entre le fait divers et l'histoire, tout en s'interrogeant sur la poétique de la reconstitution. Grâce à ce récit qui enchevêtre la sphère intime du narrateur à celle du personnage de Dora Bruder, les questions soulevées par l'autobiographie et sa part de vérité trouvent des réponses particulièrement pertinentes.
