

Guidebook To Better Medical Writing

You are reading the listing for the first edition, no longer stocked. A new edition came out in December 2003 and usually is in stock. Its ISBN is 0966183118, and it may be found by clicking on See all (2) in this listing for the first edition. When you get to the screen that your click on See all (2) takes you to, you will find that at the time of this writing Amazon has not provided an image of the book cover, only the bare bones listing. But the book is available from Amazon and usually ships in 24 hours.
