Spiritual Redemption and freedom for those who feel they have sinned and that their lives are tainted or irreparably damaged by wrong actions. Introduction to Maat Philosophy, Yoga and Spiritual Redemption Through the Path of Virtue Who is a criminal? Is there such a thing as a criminal heart? What is the source of evil and sinfulness and is there any way to rise above it? Is there redemption for those who have committed sins, even the worst crimes? Ancient Egyptian mystical psychology holds important answers to these questions. Over ten thousand years ago mystical psychologists, the Sages of Ancient Egypt, studied and charted the human mind and spirit and laid out a path which will lead to spiritual redemption, prosperity and Enlightenment. This introductory volume brings forth the teachings of the Asarian Resurrection, the most important myth of Ancient Egypt, with relation to the faults of human existence: anger, hatred, greed, lust, animosity, discontent, ignorance, egoism jealousy, bitterness, and a myriad of psycho-spiritual ailments which keep a human being in a state of negativity and adversity
