

## Skinny: The Susan Wilson Diet

Tired of fad diets that restrict calories and eliminate your favorite foods? Eat everything your heart desires and watch the pounds and inches melt away with this revolutionary new diet from nutrition and fitness professional Susan Wilson. With a desire to promote better health, combined with a background in anatomy and physiology, Susan has used both her personal and professional experience to formulate the most effective weight loss method on the market today. Using her powerful three-step approach, you'll soon drop those extra pounds you've been carrying around for years! Susan's three easy steps include: **Skinny Cleanse**: a three-day fat flush which initiates the weight loss process. **Skinny You**: combine moisture, moderation, and metabolism and get skinnier each day. **Skinny Sculptors**: lift and shape your muscles in all the right places. Susan offers helpful tips on how to plan your daily menus, increase your cardio workouts, and stay motivated, as well as healthy recipes for every meal. But even more, she offers support and encouragement to help you on your journey to a new, stronger, and thinner you. What are you waiting for? It's time to get Skinny!
