

## Catholic for a Reason II: Scripture and the Mystery of the Mother of God, Second Edition

Catholic for a Reason II, Second Edition will introduce you more deeply to Mary, the Mother of God, as your mother. Nine well-known Catholics, including Scott and Kimberly Hahn, Jeff Cavins, Tim Gray, and Leon Suprenant-open the pages of Gods family album (the Bible) to provide compelling explanations of Marys role in salvation history and in our daily lives as Christians. The result is a moving tribute and convincing testimony that demolishes common misconceptions about Catholic teaching on Mary. Youll learn why the Catholic Church teaches that Mary was immaculately conceived, remained always a virgin, and was assumed body and soul into heaven. Youll understand how Mary is the fulfillment of the Old Testament images. Most of all, youll discover what it means to be a child of Mary in the Church. This second edition has been expanded with over 40 pages of new material from Scott Hahn on the Luminous Mysteries and the biblical basis of the Marian dogmas. Authors: Scott Hahn, Curtis A. Martin, Curtis J. Mitch, Tim Gray, Edward P. Sri, Leon J. Suprenant, Kimberly Hahn, Sean Innerst, and Jeff Cavins. Foreword by Bishop James S. Sullivan. About the Catholic for a Reason Series: This benchmark series brings together the expert knowledge and personal insight of todays top Catholic apologists on topics at the heart of the Catholic faith. Whether youre a non-Catholic who wants to learn about the Churchs teaching, or a Catholic who wants to become a more articulate defender of the faith, the Catholic for a Reason series is for you.
