

Healing Secrets from the Bible: God Wants Us to Be Healthy & the Bible Tells Us How

SIMPLE SOLUTIONS FOR COMPLEX MODERN HEALTH PROBLEMS

Thousands of years ago, God spoke to us through the Bible with timeless advice on a better life. Today, science has come to the independent conclusion that the Biblical lifestyle was far healthier than our modern lifestyle. Today, millions of good Christians suffer unnecessarily with poor health and die prematurely. Why? Because we are not following the basic principles of health that are taught in the Bible. My people are destroyed from lack of knowledge (Hosea 4:6) Yet, God wants us to live a long, happy, healthy, and productive life. I have come that they may have life, and have it to the full. John 10:10 In this landmark book, an internationally respected Christian nutritionist extracts from the Bible: -superfoods with extraordinary healing properties -the need for detoxification and how to do it -value of herbs in healing -importance of proper breath and water intake -exercises to tone the body -techniques for spiritual strengthening and stress reduction. Also included are the A, B, Cs of healing; a concise guide to using vitamins, minerals, herbs, and other nutrition supplements for specific ailments; a directory of foods and their healing properties; and much more. Since our body is a temple of the Holy Spirit (1Corinthians 6:19), to claim our Divine inheritance of good health, we must follow the elegantly simple yet scientifically endorsed prescriptions in the Bible. Gods food is more nourishing than mans food and Gods healing is more effective than mans healing.
