

## Games on Thrones: 100 things to do on the loo

The Porcelain Throne, set at the heart of the smallest room and witness to our dark business, can also be the seat of reflection and self-improvement. With that aim, this book contains more than one hundred dilatory games, tricks, puzzles, projects and pranks. Learn to make toilet paper tube gargoyles and an origami dragon, gain deep knowledge of toilet roll telekinesis, and discover the secret of the vanishing toothbrush trick. Many more amusing diversions and exciting challenges jostle for your attention to see you through those long bathroom visits.
