**\*\*GET YOUR RADIANT, GLOWING, YOUNGER SELF BACK\*\*** Its the natural right of every woman to look beautiful and, If you want to claim that right this book can help. ----- LOVE YOUR BODY: GO FOR NATURAL PRODUCTS----- Our bodies are accumulating toxic materials day by day, and these foreign materials are harming our bodies because our bodies dont know what to do with them. Nature didnt design our bodies to absorb all of these chemicals. What is the solution? We need to give our bodies some breathing space by reducing the rate of chemical injection into them. This would allow them to start their inherent purification process to remove these toxic materials. We cannot remove all these materials from our lives immediately without having proper replacements for them, but we can try to make an honest difference for our bodies. We can begin the long journey of detoxifying the body in small steps, starting with our outer selves. By replacing our chemical cosmetics with the natural products, you will be on the road to cleansing your body and allowing it to heal. And who is going to do it? Nobody but you. How do you care for your skin, hair, and nails, etc. using natural products?

The Answer is aromatherapy and essential oils. This book provides you with details of chemical-free recipes and natural alternatives to potentially harmful hair and skin care products. You will gain an understanding of how the anti-bacterial properties in essential oils work to treat numerous skin conditions including acne, pimples, eczema, psoriasis, and more. Using the information provided in this book, carefully choose the essential oils that meet your needs and preferences. Always keep safety precautions in mind. Learn more about your preferred essential oils and experiment with your own blends.

What are essential oils ? Essential oils are

natural oils that are extracted from plants. Unlike actual oils, essential oils do not contain fatty acids. Instead, these are highly concentrated plant elements, which possess potent qualities for medicinal and cosmetic purposes.
