

Excuses, Excuses: I am Unable to Come into the Office Today Because . . .

A side-splitting collection of excuses for getting out of work if you can get your boss to believe them. Most people will admit to telling the odd white lie in order to wangle a day off work, but only a master excuse-maker could conceive of alibis including milking a walrus, contracting osmosis, and FOHP (Fear of Having Peaked) all of which, and more, are presented in this surreal and off-the-wall book! Caution: Not recommended for use in actual workplace scenarios.
