

Exploring Heavenly Places Volume III: Gates, Doors and the Grid

Addressing the religious leaders of His day, Jesus said, For you shut up the kingdom of heaven against men; for you neither go in yourselves, nor do you allow those who are entering to go in. He also taught us to petition our Father, ...Your kingdom come. Your will be done on earth as it is in heaven...For Yours is the kingdom and the power and the glory forever. Unwilling to follow the poor example of those scribes and Pharisees, we choose to explore heavenly places through the leadership of the Holy Spirit; taking back what has been given away to the enemy and securing victory in the heavens.

This third book in the Exploring Heavenly Places series examines the nature of these realms as a dimensional system, focusing mostly on the grid, doors and gates. The evidence presented is clear that when His will is done there, our physical existence here is the beneficiary of positive change.
