

Eyes Wide Open

The spiritual path is like any other roadits going to have its share of potholes and detours. Safe travel requires a quality rarely taught yet critically important in todays world: discernment. In *Eyes Wide Open*, Mariana Caplan supports us in cultivating the acute judgment and discrimination that will help us to live a spiritual life with intelligence, clarity, and authenticity. Is enlightenment less about fireworks and bliss and more about dismantling illusions? How do we fully integrate our practice into daily living? Whats the best way to work with the ego and the shadow? *Eyes Wide Open* explores these questions and more, offering practitioners from any traditionor those just getting starteda travelers guide through the labyrinth of increasing subtlety that defines a genuine spiritual life.
