

F in Exams: Complete Failure Edition

The ultimate compendium of the international and New York Times bestselling series, this fun omnibus features the complete content from all four books *F in Exams*, *F for Effort*, *F this Test*, and *F in Exams: Pop Quiz* plus more than 100 brand-new, sadly real, hilariously wrong student answers (Q: What is the role of a catalyst in a chemical reaction? A: It lists the cats involved). Also including bonus trivia in the form of *Stuff They Should Have Taught Us in School* facts (did you know a sneeze can travel up to 100 MPH?), this A+ collection will amuse anyone facing down a test as well as those happy to have the classroom behind them.
