

Woman: Gods Masterpiece: Understanding and Living the Feminine Genius

Woman - Gods Masterpiece - Understanding And Living The Feminine Genius Christopher West What is the nature of woman? What is the feminine genius that Pope John Paul II speaks about? Why can woman rightly be called Gods masterpiece? In this inspirational talk, Christopher West answers these profound questions and more. Building on the Popes revolutionary Theology of the Body, West notes that womans true greatness lies in her ability to bring new life into the world. In this light, the Blessed Virgin Mary can be seen as the central icon for femininity because the essence of her being was receptivity her yes to God is a model for all women to follow. 2 CD set.
