

## Fiction From Tegel Prison: DBW Vol 7 (Dietrich Bonhoeffer Works)

This book discloses a great deal of Bonhoeffer's family context, social world, and cultural milieu. Events from his life are recounted in a way that embodies and illuminates his theology. Characters and situations that represent Nazi types and attitudes are a form of social criticism and help to explain Bonhoeffer's participation in the resistance movement and the plot to kill Adolf Hitler, for which he was hanged.
