

Fierce Style: How to Be Your Most Fabulous Self

In 2008, Christian Siriano made headlines as the youngest designer to win the hit reality series Project Runway. But the now twenty-three-year-old is bigger than a TV celebrity. From his prodigious fashion talent to his one-of-a-kind personality, Christian is the embodiment of fierce style. Now in his first book, he helps readers discover how to look, feel, and act fierce in everyday life. With tips from some of fashion and Hollywood's biggest names -including Victoria Beckham, Heidi Klum, Nina Garcia, and Vanessa Williams -- along with gorgeous original sketches by Christian, never-before-heard stories, and behind-the-scenes photos, he tells his journey of developing his own fashion sense and overcoming obstacles to success.

Giving advice on creating personal style, sharing tips on building self-confidence, and revealing his own list of fashion dos and don'ts, Christian shows how to use one's unique strengths to get ahead - and go from tickity-tack to totally flawless.
