

Found in Him: The Joy of the Incarnation and Our Union with Christ

Everyone, Christians included, knows what its like to feel isolated and alone. Weve all wondered if anyone really understands us or truly cares about our lives. The good news is that we arent alone, and the gospel tells us why: Jesus, the Son of God, came to earth to be forever united with his people - to be one of us. In fact, he has so united himself with us that the Bible says we are literally in him. Far from being alone and lost, the Incarnation changes everything for the Christian. Writing with everyday listeners in mind, Elyse Fitzpatrick fleshes out the practical implications of our union with Christ and gives us confidence that we are not alone in this approachable and applicable devotional audiobook.
