

DIVINE HEALING (ILLUSTRATED)

This healing, granted to faith, has been the source of rich spiritual blessing to me. I have clearly seen that the Church possesses in Jesus, our Divine Healer, and an inestimable treasure, which she does not yet know how to appreciate. I have been convinced anew of that which the Word of God teaches us in this matter, and of what the Lord expects of us; and I am sure that if Christians learned to realize practically the presence of the Lord that healeth, their spiritual life would thereby be developed and sanctified. I can therefore no longer keep silence, and I publish here a series of meditations, with the view of showing, according to the Word of God, that the prayer of faith (James 5:15) is the means appointed by God for the cure of the sick, that this truth is in perfect accord with Holy Scripture, and that the study of this truth is essential for everyone who would see the Lord manifest His power and His glory in the midst of His children. -- ANDREW MURRAY
