

The Office Idiot Reviews (A laugh out loud comedy book)

There are all sorts of idiots we have to work with every day. Every office has them. Fortunately for most of us idiots in the work place are few and far between. However, Hogsbottom Plugs, the home of bath plugs has a higher concentrate than other work places, from the MD down to the cleaner, theyre all Idiots. Read the trails and tribulations of this idiotic workforce as they explain their recent life events through reviews of things theyve brought. Theres Donald, who try as hard as does simply cannot get the office junior to notice him, let alone drink some of his special, sleeping tablet laden tea. Learn how Jeff, gets his own back on the people who mock him by re-enacted a video he saw on Youtube involving Seagulls and watch on in horror as the over-worked cleaner tries to solve the mystery of who is making his job of cleaning the toilets worse than a job cleaning toilets is already. If youve ever worked in an office, then this is the book for you. Youll recognise the office sex pest, the liar and the moaning admin worker whos been there longer than the chairs. Written in the form of product reviews, The Office Idiot Reviews is the second in the series of Idiot Review Books from Pete Sortwell. Many books claim to be Laugh out Loud This one is.
