

One of the most controversial influences that Nietzsche had was on the Nazi party and Hitler's personality because Nietzsche's theories were the bases of Hitler's Aryan race. Some people think that Nietzsche's philosophies were used as a guide for Hitler's destruction. Nietzsche influenced George Brandes who developed a philosophy called aristocratic radicalism which was inspired by Nietzsche's Übermensch theory. Nietzsche also influenced Sigmund Freud and Carl Jung, two great psychologists, in admiration and credited him with many insights into human character. Nietzsche also influenced many authors of fiction and poetry. He inspired drama plays, and helped people better understand the behavior of the human.
