Download FREE with Kindle Unlimited! 70+ Fruit Infused Water Recipes For Weight Loss Are you frustrated with your lack of weight loss? Have you tried every supplement, fad diet and exercise program available? Have you ever considered you have not been losing fat due to being dehydrated? The author has seen amazing results with his weight loss clients through the use of fruit infused water. It tastes great and removes the need for sugary drinks and even artificial sweeteners. Fruit infused water not only helps with weight loss but increases your energy, vitality and overall health. Vitamin Water Weight Loss What makes fruit infused water work so well for weight loss? Its just water after all? The secret of vitamin water is it staves off the boredom of drinking tasteless water. Experts recommend you divide your body weight in half and then drink that much water in ounces. That is liters of water that without adding flavor will never get consumed. As a weight loss coach, Darrin is always looking for new, natural ways to help his clients gain an edge with their weight loss and fruit infused water has been a bit of a miracle. His clients experience a huge decrease in cravings and stop struggling with sugar addictions. They exercise harder and more often with the increased energy. All this leads to rapid weight loss. Clients love the feeling of being fully hydrated which is essential to achieving their weight loss goals. These vitamin water recipes wont melt the fat off of you by themselves but will support all the hard work you put into eating right and exercising intensely. Why You Want To Drink Fruit Infused Water If the flavor change isnt enough to convince you here are some other benefits: Practically zero calories without artificial sweeteners Herbs taste great and you can use them as natural herbal remedies Easy way to drink weight loss promoting tea Boosts metabolism with
