

Frys English Delight: Series Two

The second series of Stephen Fry's witty and incisive programs looking at the oddities of the English language. The three 30-minute episodes include: *So Wrong Its Right* Fry examines how wrong English can become right English. With help from a lexicographer, an educationalist, a Times Sub Editor, and a judge, Fry examines the way usage changes language. *Speaking Proper* Fry looks at the changes in what we used to call elocution. *Hello Fry* offers a sweetie in the form of an investigation into the planets most universally understood word.
