

Generation Change, Revised and Expanded Edition: Roll Up Your Sleeves and Change the World

Real world. Real people. Real time. Real change. Our generation has seen the hurting world in living color. The media has brought every major human rights, health, and environmental crises right into our living rooms. Its easy to complain about whats wrong with the world today. But I think my generation is tired of hearing complaints and excuses, and were eager to see people get busy and do something about the problems. Zach Hunter Inside this book you will find stories about real people doing amazing things to change the world around them. You will discover a new sense of wonder about what can be and how you can help make it happen. You will encounter voices of justice and hearts of compassion. You will be inspired to find your own sparkfuel that will help ignite a generation of change.
