

GodQuest Guidebook

According to a recent Barna study, 43% of Americans believe that all religions teach the same lessons and all of those religions eventually lead to God and to heaven. Is it any wonder that our society today has become confused with the dizzying array of spiritual options? In a time like this, you need to dig deeper to discover the truth. What you need is a GodQuest! Use the Guidebook in conjunction with the GodQuest DVD-based Study in which dynamic speaker Sean McDowell takes viewers on a six-week study to address the topics of God, creation, the Bible, Jesus, pain and suffering, and the path to heaven. The 12- to 17-minute video lessons include biblical teaching, inspiring personal testimonies, dramatic scientific evidence, and guest appearances by Lee Strobel, Josh McDowell, and leading Bible scholars. No matter where you are in your spiritual life, GodQuest can guide you into a stronger, deeper relationship with the one, true God. GodQuest is designed for individual or group study.
