

Gods Alphabet for Life Devotions for Young Children

Using the alphabet as a guide, this book provides 26 devotional meditations for young children (ages 4-9), based on Bible texts that children can easily memorize. Gods Alphabet for Life stresses that, like adults, children must be born again, come by faith and repentance to the Lord Jesus Christ, and live lives of thankfulness to God for His great salvation. Endorsements Here is a great resource for parents wondering where to start with training their children. I highly recommend Gods Alphabet for Life as an excellent tool for communicating truth your children will grow into and never outgrow. - Tedd Tripp
