

The Goon Show, Volume 16: The Goon Show and Guests

Goon but not forgotten. From 1952 to 1960 the Goons ruled the airwaves, the most celebrated and influential clowns in the history of radio. GO ON and savour some of the special guests as Dick Emery, Kenneth Connor, Graham Stark, and George Chisholm get in on the Goonery. Follow their fortunes as they trace the dreaded Spon, go bagpiping playing in the South Pole, march off to war (Name your weapon, I name my weapon Basil), and attempt to find a cure for Neddies poverty stricken wallet. Yes, folks, its the all-leather Goon Show, another quartet of cult comedy classics from those wireless wizards Peter Sellers, Spike Milligan, Harry Secombe and friends. Theyve found an apple. Their search is no longer fruitless.
