

The Gospel of John, the Gospel of Relationship

Love of God and love of others are the two great commandments: Jean Vanier shows that these are the same thing. We express our love for God through compassionate care for one another and we encounter the love of God most tangibly through those closest to us. In his chapter-by-chapter exploration of the Gospel of John, Vanier explains how Jesus taught this lesson at every step of his ministry. He includes stories from his work with L'Arche that express in earthly terms the great privilege we have of developing our relationships with one another and with God.
