

Credence Book One Foundation (screenplay) (Volume 1)

A detective tasked with solving the seemingly impossible murder of an influential scientist finds a clue that leads him to Credence, a corporation of the future that uses mass beliefs to make things happen, mainly space travels. Suspecting that the murderer had himself flushed in and out of the crime scene using Credences technology, Detective Trumaine readies his trap. In a frantic chase through his mind, long-forgotten memories from a tragic past, as well as virtual environments, he will finally put together the missing pieces of the most unbelievable plan ever to affect mankind. This is a 112-page unproduced screenplay adapted from the novel Credence Foundation by the same author. Its printed in the real-thing standard movie script format.
