

He Is My All: Living in the Truth of Gods Love for Me (Design4living)

This DVD Study is unique in that it does not just ask the reader to fill in the blanks but it requires the woman to process through truth as outlined in Gods Word. The Design4Living Bible Study series material is presented in a seminar format. Every woman wants to be loved, and from a young age the search begins. Women look to find themselves in men, in other people, in careers, education, marriage and motherhood. But, in every setting the need for something more haunts them and drives them. Living in the truth of Gods love addresses this core need of a womans heartthe need for love. Though Gods love is the most profound thing a woman can embrace, it is often overlooked or just chalked up to a head knowledge that means little in real life. This study is the perfect study for women in all walks of life from the seeker, to the strong, to the stalled and discontent Living in Gods love holds out hope and truth, the same way a good friend holds out a blanket when you are cold. This study and the foundational message made relevant for today, is life-changing.
