

Heaven Changes Everything: Living Every Day with Eternity in Mind

How does a visit to heaven change your life? Todd and Sonja Burpos almost-four-year-old son Colton made an unforgettable trip to heaven and back during the darkest, most stressed-out days of their lives. Times were tough, money was scarce, and the bills, frustrations, and fears were piled high. How did Colton's visit to heaven change things for them individually and as a family? And what does any of this mean for you and your life? Todd, and for the first time ever Sonja and Colton, from their perspectives, share what has happened since the release of their New York Times bestseller, *Heaven Is for Real*. Through their own experiences, and after hearing from thousands of the more than eight million readers who have shared how the story has affected them, they show you how believing heaven is for real will help you survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. Todd, Sonja, and Colton answer questions such as: Is it really okay to struggle with and question God? Really? What hope is there for me if I've lost a child or a loved one to death? Will I ever see them again? What does heaven feel like? Can I know for sure that I'm going to heaven? Does God really hear me when I pray? They also explain how their story can help you keep thoughts of eternity in mind in the midst of your own overly busy, stressed-out lives. Heaven truly is for real, and believing it changes everything!
